

Community Nurses Home Health Messenger

HOME HEALTH • HOSPICE • SUPPORT SERVICES • ADULT DAY

February 2015

CNI awarded HomeCare Elite status for third consecutive year

At Community Nurses, we are pleased and excited to have achieved HomeCare Elite status for the third year in a row! The HomeCare Elite is an annual compilation of the most successful home care providers in the United States, selected on the basis of quality of care, quality improvement, patient experience, best practices implementation, and financial performance.

Home care agencies that earned recognition among the HomeCare Elite demonstrated that they have adapted to an ever-changing healthcare marketplace, and continue to perform well in both clinical and financial outcomes. In order to be considered, the agency must be Medicare-certified and have data for at least one outcome in Home Health Compare. Out of 9,996 locations considered 2,501 are elite.

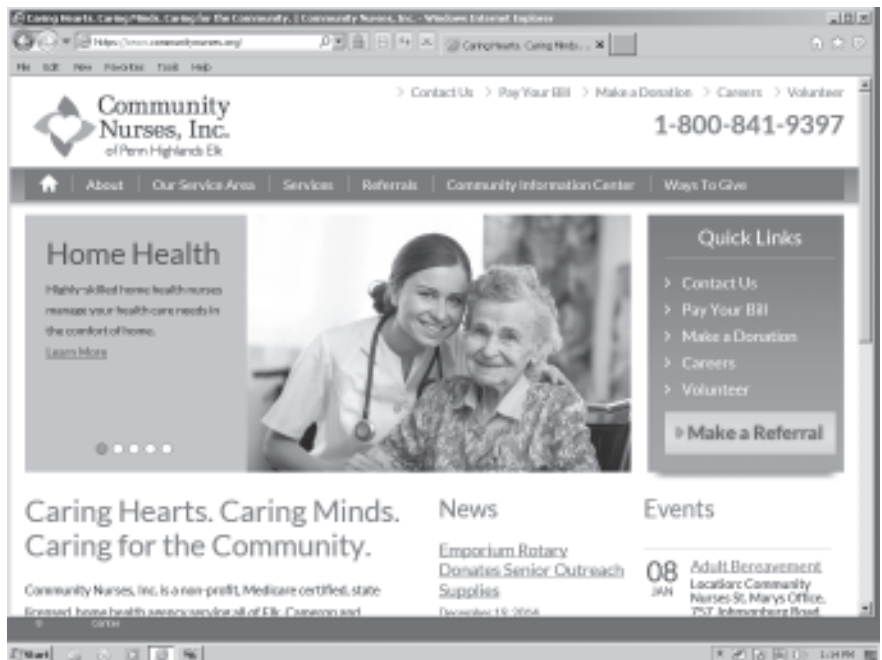

Visit our new website at www.communitynurses.org

Our new website offers you a clean, modern design with user-friendly navigation and a content-rich experience. Just log on and browse our website for a wealth of useful information!

NEW! ONLINE BILL PAY/DONATIONS

Now you can pay your bill online, make a memorial or general donation, or submit a contribution to our annual giving campaigns using Master Card, Visa, or Discover Card.

Dr. Scott McKimm Hospice Medical Director

Scott McKimm, DO

The Community Nurses welcome Dr. Scott McKimm as Medical Director for our Hospice Interdisciplinary Team.

The Hospice Medical Director plays an active role on the team, managing the patient's plan of care along with the patient's attending physician.

He provides medical supervision to guide the hospice nurses, aides, social workers, therapists, and volunteers as they provide services for the patient and family.

Welcome Dr. McKimm!

About our direct mail campaigns

The Community Nurses do two direct mail campaigns each year – our Annual Caring Campaign in the second quarter of the year, and our Seasons of Giving Campaign in the fourth quarter of the year. Thank you for your support to help us continue our service to the community and develop new programs to meet your needs. For your information, donations may now be made online at www.communitynurses.org by credit card. If at any time you wish to be excluded from one or both of these mailings, please just call and ask to be removed from our mailing list.

Bereavement Support for Adults

Grief can become quite overwhelming after suffering the loss of a loved one. Each situation is unique and each person responds in ways that are uniquely their own. Counseling and support can guide you through some of the challenges of grieving as you adjust to your loss. Our Bereavement Support Group meets on the first Thursday of the month at 6 p.m. at our St. Marys office. Coping with loss is discussed in a confidential environment, facilitated by a professional bereavement counselor. No reservation is necessary, but we suggest calling our office before the meeting in case there have been changes in the scheduled dates and times.

Ebola prepared!

When the Ebola crisis was at its peak several months ago, Community Nurses, along with health providers across the nation, prepared for the possibility of Ebola reaching our area. Official protective gear was obtained and nurses were trained in putting on and taking off gowns, gloves and facial masks used when working with Ebola or suspected Ebola patients. Guidelines and protocols were put into place. Although the chances of Ebola occurring in our area are minimal, isn't it great to know that your area health providers are well prepared!

Camp Flutterbye

Has the death of someone in your family affected your children or grandchildren? Community Nurses Hospice hosts a free bereavement camp each summer in June for children and teens, K-12. The two-day camp at The Pines in St. Marys features a variety of activities planned by bereavement professionals to help young people deal with their feelings after the loss of someone special to them. Call our office for more information or to register. 1-800-841-9397

Specialized Training Ensures Quality Services For Our Patients

With specialized education comes wisdom and expertise. The great amount of preparation required to obtain specialty certifications enables our staff to deliver and coordinate excellent care. Community Nurses offers certified staff in many areas of care to provide for the home care needs of area residents.

Wound Care Certification

Home health wound care nurses work with the patient's home health team and attending physician to assess a wound, determine and administer a treatment plan, and educate the patient and caregiver on proper wound care. Wound care nurses achieve positive outcomes in patients with pressure ulcers, surgical wounds and severe wound care problems.

Chanda Champagne RN

Stephanie Hetrick RN

Kayleen Porter RN

Wound Care Certification & Ostomy Management Specialist

Betsy Shannon RN, BSN

Wound & Ostomy Certified Nurses care for patients with wounds caused by medical treatments, diseases, or injuries. They also provide post-surgery treatment and care for patients with ostomies, which are surgical openings that allow for elimination of bodily waste. The nurse works with the healthcare team and patient's physician assessing patients, managing wounds and monitoring healing. She provides education to patients and families about post-discharge needs and self care of stomas, wounds, fistulas and drains. Patients undergoing ostomy surgery, whether temporary or permanent, require intensive physical and emotional care as well as continuing support to return to their normal lives.

National Academy of Certified Care Managers

Professional Care Management is a holistic, client-oriented approach to caring for older adults or others facing ongoing health challenges. The Care Manager is educated in aging and disability issues, chronic disease management, benefit and financing options, legal and ethical concerns, special needs and advocacy, and individual and family support. This certification is of great benefit in assisting clients who wish to remain in the home setting.

Tiffany Winkler
Home Support Services
Private Duty Manager

Qualified Dementia Care Provider

Adult Day Services Aide, Trudi Hanes, obtained certification as a Qualified Dementia Care Provider from the Alzheimer's Foundation of America. The training provides essential information about warning signs, symptoms, diagnosis, treatment, and neurological processes, as well as tools to provide safe and effective care. Adult Day staff members are well prepared to care for clients with physical and cognitive issues who come to the center on a regular basis.

Trudi Hanes

The Community Nurses Extend Our Sincere Appreciation for your
Memorial Donations and Contributions from 2/23/14 to 1/13/15

Benefit Run for Hospice

Coming in June! For the past several years the ABATE Endless Mountain and God's Country Chapters have organized a benefit run to support our Hospice program. All street legal vehicles are welcome. The ride winds through miles of beautiful scenic roads, with stops along the way, and finishes at the St. Marys Eagles. Come ride with us!

Used Book Sale

Our Used Book Sale for Hospice will be held in June at St. Boniface School in Kersey. Watch our website and local media in the coming months for more information on dates and times for the book collection and sale days. Please save your good used books to donate. Due to your generosity, this much anticipated sale features many thousands of books each year!

Butterfly Release for Hospice

Our annual Butterfly Release for Hospice will be held on Sunday, August 2 at The Serenity Garden on the campus of Penn Highlands Elk. The butterfly release pays tribute to those being remembered through a service that includes inspirational readings, beautiful music, the reading of names, and the live butterfly release.

Many families purchase butterflies in memory or in honor of their loved ones, living or deceased. A butterfly is also a meaningful memorial gift to give to a family of a person who passes away. An acknowledgement card informing the family of this memorial and inviting the family to the butterfly release will be sent at your request. A butterfly purchase form can be found on our website, or call our office and we will mail you a form. Join us at this beautiful celebration of remembrance.
