

The Serenity Garden

A project to create a serene environment that will nurture the mind, body, and spirit

The Serenity Garden

- is an Health System project spearheaded by Community Nurses Hospice program as a service to our patients, our staff, and our communities
- is located in the wooded area behind the 757 building in the rear of the hospital campus
- includes a beautifully designed brick paver labyrinth, 50 feet in diameter, surrounded by a serenity garden area with artistic touches by area craftsmen
- offers a sanctuary in an aesthetically designed garden to promote a calm space for relaxation, inner peace and meditation
- joins the movement towards more personal, patient-centered care
- is open daily for the enjoyment of the residents and guests of our communities
